Ohio Music Education Association
Risk Mitigation Strategies

**Masks**
- Students and Teacher always
- Instrument covers, masks with slits
- Well-fitted, multi-layer

**Distance**
- 6-foot CDC guidance (6x9 trombones)
- Applies indoors and outdoors
- No contact, no congregating before/after

**Time**
- 30-minute rehearsals
- Clear room for minimum one air change before next rehearsal period

**Air Flow**
- Outdoors is best
- Open windows if possible, smaller groups
- HEPA Filtration, 3 ACH Rate goal

**Hygiene**
- Sanitize areas frequently touched
- Handwashing regularly
- No sharing of anything
